**NEWSLETTER NO 89 OCTOBER 2016**

You may have seen one of the doggie programmes on TV such as Paul O'Grady's 'For the Love of Dogs' or 'Dog Rescuers' and been disgusted at the state of some of the dogs that have been neglected or dumped. Wallace Kennels get a share of such animals and make a remarkable job of having them treated at the vet's and neutered (all of which we pay for). 3 puppies, only a few weeks old, were found in a ditch. One had to spend time at the vet's on a drip and, with loving care and attention, all were found new 'for ever' homes. A Spaniel x Terrier was found in another ditch and a very depressed Beagle with very bad skin was brought in by the dog warden. There has been a glut of Staffies at the kennels but all but one (Honey) have been rehomed. At present a lot of Lurchers are being looked after. Charlie and Macy, large American Bulldogs x Labradors (1 deaf) arrived together and Dee hoped that someone would take the pair of them. Good news, they did!

We need to fund-raise to fund the kennels. In the year ended 31<sup>st</sup> March 2016 we paid £13,200 in vet's fees and met kennels running expenses of some £18,000. In the 3 months to the end of June this year another £10,000 has been paid over. We are grateful to volunteer collectors at Sainsbury's Ongar and to our helpers at our frequent jumble sales in Doddinghurst. We have one more jumble this year, on 26<sup>th</sup> November, which will include a Christmas table with cards and gifts, so please come along and support us.

**Christmas Draw Raffle Tickets** are enclosed and if you need more please ring our Treasurer, Josie Hadley (phone number above). If you cannot sell tickets please destroy them.

**Annual Subscriptions** - A number of members have not yet renewed so we are enclosing further Annual Subscription and Gift Aid forms for your convenience. **IF YOU HAVE ALREADY RENEWED OR PAY BY STANDING ORDER PLEASE IGNORE THIS.**
